### Sonoma Apple Growers To Confer On Plans For 1924

### Fifty-Seven Varieties Of Loot Charged To Baxter Tract Man

#### APPLE MEN VOTE AGAINST PROPOSED MARKETING PLAN

Sebastopol Growers Hold Big Session; McDonnell Faction Wins Out; Sonoma Growers Will Hold Meeting.

At an overflow meeting at Santa Rosa last week the apple growers of Sebastopol voted down the change proposed by the majority group and decided to stay by their association as advocated by John P. McDonnell, leader of the minority faction. Geo. H. Cassidy and R. L. Watt represented the Sonoma Valley growers at the conference. Local apple men intend meeting in the near future to take up questions vital to the Gravenstein industry.

Geo. H. Cassidy spoke at the Santa Rosa meeting of the growers and pleaded for a continuation of their organization which has been operative for eleven years with marked benefit to the producers. He predicts that the association will continue and work out its own problems.

The proposal of the majority group in the apple men's research committee to market all the fruit of the Sebastopol Apple Growers' Union through the California Fruit Exchange was defeated Friday by a vote of 7515 shares of stock to 7192 shares.

Four hundred proxy votes, signed by Japanese stockholders who did not understand the question involved caused the defeat of the majority plan and the endorsement of the minority committee's report, according to a statement made by a member of the majority group.

The result of the vote was announced shortly after 6 o'clock, bringing to a close two days of meeting of the apple men, during much of which time heated argument took place. The action upheld the minority on the research committee, which had held out against marketing the full crop of the association through any one marketing organization.

The question now stands in statu quo until February 4, the date of the regular meeting, when the subject of reorganization on the basis of "one vote to a member, instead of one vote to each share of stock, will be taken up, and the growers will consider again the marketing question.

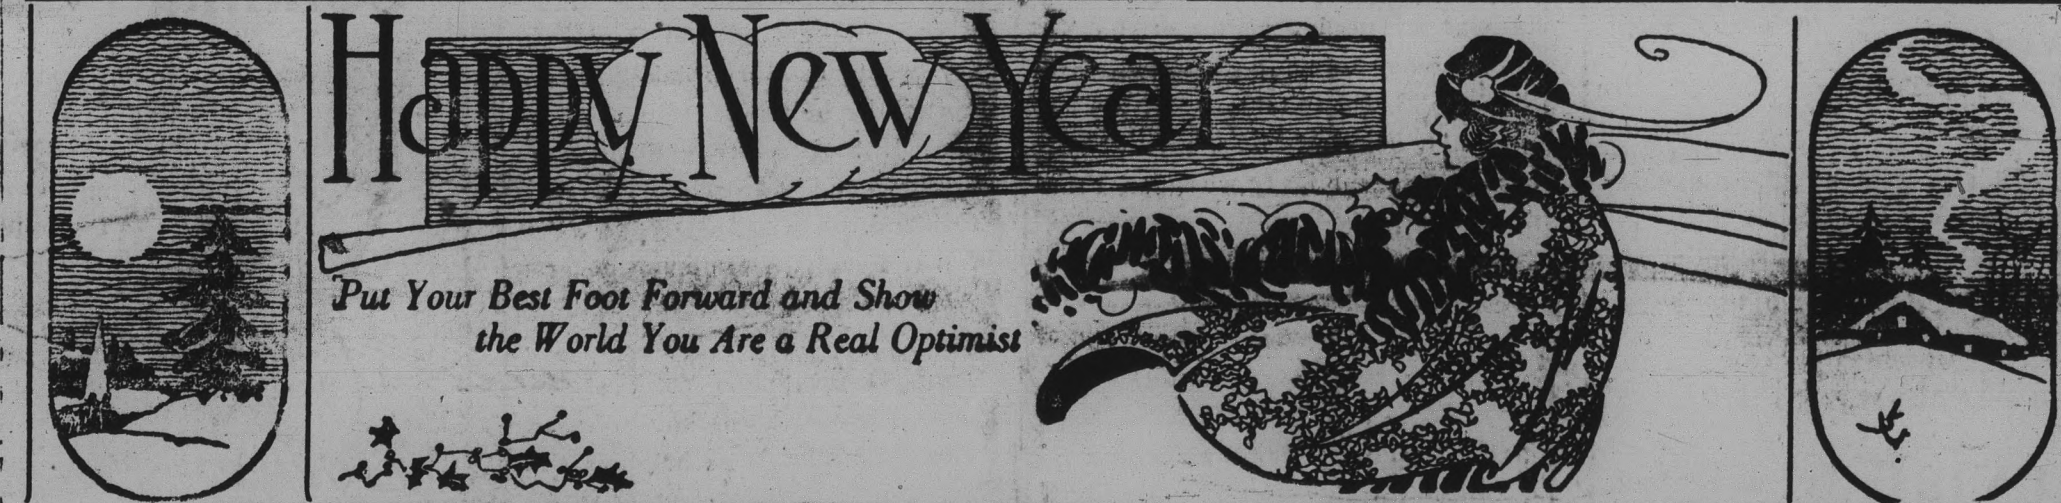

The growers voted by acclamation to expend between \$9000 and \$10000 in the advertising of Gravenstein apples next year, and to adopt an individual brand for the fruit for advertising purposes. It was also voted to create adequate camp sites for workers during the picking and packing season.

Adopted committee recommendation to issue an extra fancy pack next year from some one of the packing houses.

Left to the directors the matter of reducing or eliminating state inspection in favor of private inspection.

Referred to the directors are research committee for further consideration the matter of establishing pre-cooling and cold storage plants.

Deferred action on recommendation to obtain at least two box making machines and to discontinue the Cutler grader.

#### O. E. S. TO GIVE A VALENTINE DANCE

Saturday evening, February 16th, the members of Valley of the Moon Chapter, Order of Eastern Star, will give a Valentine dance at Union Hall. The same orchestra which played for the Chapter last year will be here again for this year's party.

The Eastern Star dance in 1923 was one of the nice affairs of the year and the next event promises to be even more successful.

The ladies are working on plans for the evening under the direction of the Chapter's new Worthy Matron Mrs. Hattie Breitenbach.

#### Sonoma City Trustee Suffers Breakdown

Financial Worries Prey On Mind of Sam Lewis, Who Is Taken to Hospital for Treatment.

City Trustee Sam Lewis, who recently underwent financial troubles which are thought to have preyed upon his mind, suffered a serious nervous breakdown this week which necessitated his removal to a hospital for treatment.

Lewis, who is a Spanish-American War veteran, and well known former business man of Sonoma, has been in failing health for some time past and his condition became so acute last week that his family and friends deemed it best to have him undergo treatment at the hands of a specialist. Some weeks ago he became despondent and is said to have threatened to take his life.

Many friends and acquaintances hope for his recovery and restoration to perfect health.

Deadly prohibition moonshine is said to be responsible for Lewis' sad plight.

#### MEETS WITH ACCIDENT IN SAN FRANCISCO

Mrs. Erhardt Steiger, popular Schellville matron, who went to San Francisco with her husband and daughter Evelyn, to spend Christmas, met with an unfortunate accident Tuesday while enroute to her mother's in Berkeley for the holiday dinner. The Steigers had come down to the ferry to take a boat for Berkeley when in crossing the street Mrs. Steiger inadvertently stepped upon a piece of concrete which was in her path and turned her ankle in such a way that the bone broke. The Sonoma lady was immediately taken to a physician's office where the break was x-rayed and she is now resting as comfortably as can be expected at the home of relatives. The many friends of Mrs. Steiger hope to hear of her early recovery.

#### New \$85,000 Hotel to Replace Structure Destroyed By the Fire Last September.

Contracts and sub-contracts for the new \$85,000 Boyes Hot Springs Hotel, while dining. The kitchen and hotel, will be let the coming week. The new structure which will replace the shingled hotel destroyed in the recent fire, will be a beautiful two-story building of 60 rooms. The hotel will occupy the former site and will extend a width of 325 feet. From the central lobby, 70x35 feet, two wings, an east and west wing, will extend each containing guest rooms and either private bath or shower. A lower veranda and upper sun deck will add to the attractiveness of the new hotel, whose exterior finish will be stucco with Spanish tile roof effect.

Back of the hotel lobby will be a handsome dining room with French windows opening out upon a pergola patio on both sides, making it possible to get fresh air and scenic beauty while dining. The kitchen and refrigerating system will be equipped with the latest devices for catering and the preparation of the best cuisine. No guest rooms will be over the lobby, except those for attaches of the hotel. The new theatre will probably be built near the present bath house and will form a new amusement center at which night swimming in a brilliantly illuminated pool will be featured. The hotel's construction cost and furnishings is estimated at between \$85,000 and \$100,000. The hotel will be ready for the early 1924 summer tourist trade, so the management states.

#### 250 MADE MERRY AT REDMEN'S CHRISTMAS

The Christmas feast and tree of the Sonoma Lodges of Redmen last Saturday night were enjoyed by over 250 relatives and friends of the Redmen and Daughters of Pocahontas.

The banquet hall in W. O. W. Hall was beautifully decorated under the capable direction of Mrs. D. Colli and a splendid supper was served. After the feast the merry company adjourned to I. O. O. F. hall where a wonderful Christmas tree awaited them. The children received appropriate remembrances and the older folks danced and enjoyed several hours of sociability with exchange of holiday greetings and good wishes for the New Year. Frank H. Muller is Chief of the local U. O. R. M. lodge.

#### MOTION PICTURE PRODUCER IS BETTER

Harold J. Binney is out, and around after a siege with blood poisoning in his arm and expects to resume work on his comedy production in Sonoma Valley.

At a meeting early in January of the Business Men's Association and others interested in the film business here Mr. Binney will outline his future plan to assure the making of pictures here and answer all questions as to his status and that of his organization.

The Metro people of New York offer to take comedies to be produced at the Sonoma Studio which Binney has equipped for the work. He has already spent considerable money in preparing and filming the first picture.

#### POPULAR GIRL IS ENGAGED TO MARRY

Miss Mayme Walsh, of San Francisco, niece of Miss Emily Kearney, is wearing a beautiful engagement ring, the gift of her fiancé, Peter J. Kelly, overseas war veteran and employee of the Fieschmann interests.

The engagement of the handsome and popular girl will be joyous news to a host of friends throughout Sonoma Valley, where she spent her girlhood. Miss Walsh now holds a splendid position as stenographer in San Francisco.

Kelly saw active service at the front during the war and had many thrilling experiences.

#### Death Calls Loved Wife and Mother

Mrs. J. F. Prestwood Passed Aaway Sunday, Leaving Large Family to Mourn Her Devotion.

Mrs. Jesse F. Prestwood, wife of Sonoma's well known school principal and the mother of a large family, died Sunday at her home here after a protracted illness. The sadness which enshrouded this home at Christmas-tide was shared by the entire community with the bereaved husband, the young sons and little daughters of this esteemed and prominent family. Countless messages of condolence, beautiful flowers and words of sympathy came to the members of the household where the silent form of the little wife and mother reposed throughout Christmas day and until Wednesday, when in the morning funeral services were held prior to the sad journey to Guerneville, where the interment was held.

The services were conducted by the Rev. Isaac Cookman in the presence of many relatives and friends, among the latter being many brother Masons of Mr. Prestwood and members of the Native Sons of the Golden West, in which order both the husband and sons of the deceased are prominent. The Grammar School teachers, the Board of Trustees, County Board of Education and Library Board were also represented and sent beautiful floral offerings as a token of their regard for the helpmate of their colleague and friend.

Rev. Cookman's eulogy of deceased was both beautiful and touching. He referred to her devotion to home and children and the influence of her beautiful life of sacrifice and good example, a priceless heritage to the sons and daughters left to "carry on" in the world bereft of her sweet presence. A prayer breathing hope and comfort to the mourners closed the simple but impressive service, and more effective than words can pen was the leave-

#### JOE GENARDINI FACES CHARGE OF LARCENY

Series of Neighborhood Thefts Are Traced to Door of Chicken Rancher Who Is Arrested.

Joe Genardini would have made a good collector, but instead finds himself in the toils of the law, charged with grand larceny, while fifty-seven varieties of purloined articles found on his premises tend to incriminate him.

Genardini resides in the Baxter Tract and through the astute detective skill of George Carpenter, who was one of the victims of a series of petty thefts, the officers got on the trail of the miscreant. At Genardini's chicken ranch Officers Ryan and Mohr found a collection of missing neighborhood stuff that would have done credit to a Dolan emporium. Gas tanks, cultivators, fence posts, graders, spades, saws, forks, lanterns, milk buckets, wire, timber, hoppers, nest eggs, hitching ropes and flea powder had been accumulated.

Much of the stuff was promptly identified by long suffering neighbors and also by Pete Basaglia, road contractor, who had missed some of his materials. Among neighbors reporting losses had been Carpenter, Campbell, Matteri, Moore, Anderson, Larsen and others.

Genardini is in jail awaiting his hearing on the felony charge.

#### CHRISTMAS AT THE WOMAN'S CLUB HOUSE

At the Christmas afternoon of the Sonoma Valley Woman's Club Friday of last week, there were selections by McCormack and Caruso on the Sonoma phonograph through the courtesy of Mrs. Eunice Lindley of the Sonoma branch of the Marlow Music Company. These vocal numbers were very beautiful.

The Club Christmas tree was laden with useful gifts for the club house. Several card tables were the gifts of various groups of club members and there were also gifts of sugar and creamers and other useful things.

taking from the home—the flower-laden casket borne from the home of mourning by the four young sons of deceased, Russell Prestwood of Seattle, Rodney Prestwood of San Francisco and Harold and Donald Prestwood of Sonoma. The little daughters, Vesta, Countess, Ruth and Alois, with their father followed them in the sad cortege and after the casket with its precious burden had been tenderly placed in the automobile hearse, the funeral party started on the sad journey to Guerneville, where, in the family plot the remains of Mrs. Prestwood were laid at rest beside her late father. A sorrowing mother, Mrs. Alpha Bean, is left to mourn a devoted daughter and shares with other members of the immediate family the grief which only time can assuage. Josephine Evangeline Prestwood was 42 years of age and had resided in Sonoma for the past 20 years.

#### A New Year Wish

HAPPY NEW YEAR to all our readers is the first wish of The Index-Tribune.

Another New Year's wish very near our hearts is the one we started in wishing last year—that the Sonoma Plaza may be a park this year. Believing that everyone in our city and valley is interested in the fulfillment of this wish, we ask that you fill out the following coupon and mail or give it to any member of the Board of City Trustees. When the City Trustees find that sentiment is for the park, the project will be put through. Let us all get behind our City Trustees. Do it now:

#### ENDORSEMENT

The undersigned favors municipal measures in 1924 for permanent improvement of the Sonoma Plaza and hereby endorses official action to assure Sonoma a city park.

## EL VERANO NEWS

By ARCHIBALD McKIVER

On New Year's eve at Sonoma the Native Sons will give their annual grand ball at Union Hall. The proceeds of this dance will be contributed to the Homeless Children's Fund. A great many party going people of the Valley of the Moon and neighboring cities have expressed their intention to attend and are boosting the good cause. The young men of the Parlor are leaving nothing undone to make this social affair one long to be remembered.

Mr. and Mrs. Jack Larson of South City have been guests at the home of T. H. Baines over the holidays.

Miss Doris Nonella of San Francisco was a Tuesday visitor at the Nonella home, enjoying the Christmas dinner with her parents.

Mrs. J. Fleming of Sonoma Vista is spending the holidays with San Francisco relatives.

Roy Chance is driving a new 1924 Chevrolet enclosed car. The new model is being viewed by many, and it appears to be a good chariot.

Mr. and Mrs. J. McCrea of Napa have leased the Adams place and taken possession.

Mr. and Mrs. A. Aubrey of Oakland were visitors at the Kearney home over Christmas.

Frank Biscioni was sight seeing in Oakland last week.

Mrs. McDevitt and family were passengers Sunday for Dunsmuir.

A large crew of N. W. P. workmen are side tracked at Verano doing work on the Glen Ellen branch and concretizing the large trestle at Boyes Springs which was burned out in the late fire.

William Sutter of San Francisco was a first of the week visitor at the Sutter home here.

Joe Chelini and wife have been spending the week at the A. Chelini home.

Mr. and Mrs. Bosserman, who have been at Alameda, were at their Sonoma Vista home over Christmas and entertained Mr. and Mrs. C. J. Atkinson of Chicago, Mr. and Mrs. Hamm and family and Mrs. Gooch and family of San Francisco and their son, Harold Bosserman, of Santa Rosa.

Mr. and Mrs. F. Michaelas of Fresno motored to Sonoma Valley Monday and spent Christmas at the Jasper home in Sonoma Vista.

Last week while Miss N. O'Brien was shopping in El Verano, her horse became frightened and ran away. As the animal dashed past the Pioneer Garage, Jim Baines of Boyes Springs made a quick leap and caught the bridle and soon quieted the runaway horse. No damage was done.

Lloyd Riser, a native of El Verano who left here many years ago and entered the service of the S. P. Company, is now a full fledged engineer. Riser passed through El Verano Sunday piloting the iron horse of the local freight. His many friends of boyhood days were glad to see him.

Saturday is the big night at Sono-

Vista, the occasion being the opening of the new club house of the Sonoma Vista Improvement Club. A dance, whist party and other entertainment will be events of the evening. Local people are looking forward to the big time tonight and members of the club are leaving nothing undone to make this one of the biggest social events of the year. The new club house, which replaces the one destroyed by fire, is up to date and a credit to the progressive people of Sonoma Vista.

Henry Norrbom, local garage owner, is having built on the highway near Sonoma a garage and service station. Roy Chance, formerly of the Mare Island Navy Yard, will have charge of the business, and the place will be known as the State Highway Service Station.

Mr. and Mrs. G. Verbeck motored to Berkeley and spent Christmas with relatives in the college city.

Mrs. S. A. Fentress and David McAuley went to Hornbrook Saturday to spend the holidays.

Mrs. J. Steckmeyer and daughter were week end visitors and shoppers in Oakland.

Austin Benjamin of Los Angeles is renewing acquaintances in Sonoma Valley.

Elmer Owens, chief clerk at The Tavern, Verano, is in San Francisco spending the Christmas holidays with relatives.

Mrs. M. Hollingsworth returned to Stockton Sunday after spending several months at Verano.

Buck Holly of Stockton was greeting El Verano friends Sunday.

Mr. and Mrs. L. Parente and Miss Lillian of San Francisco motored to Sonoma Valley Sunday.

Charles Danielli was a visitor in El Verano Sunday.

William Johnson is in San Francisco where he will remain until after New Year's.

Mr. and Mrs. J. N. Beach\* spent Christmas with San Francisco relatives.

The El Verano post office did a rushing business during the Christmas period. The mails coming and going were heavy and this year's business was larger than in past years. It was necessary to work overtime dispatching the mail and parcels to the various destinations.

Mr. and Mrs. L. McKinnon and family of Concord and Mr. and Mrs. Archie Gale and family of Winters enjoyed Christmas dinner at the home of N. Dowdall.

Cliff Cramer and Frank Merton motored over from San Rafael Sunday and spend the day at the Waldo home in Sonoma Vista.

Everybody ate turkey Christmas day, many relatives and friends coming here from other cities to spend the day. Business places all closed at noon and a most enjoyable day was reported. Chris Kringle arrived by airplane Christmas eve, filling the little tots' stockings and leaving presents which were thoroughly enjoyed.

Miss Lottie Howard, popular teacher of Watmaugh School, spent the holidays with Oakland relatives.

Last Saturday night the old Reiser home in Sonoma Vista was burned to the ground. The place had been rented to Japanese people. The new lessees had been burning rubbish around the house during the day and it is thought the fire started from a spark. The Boyes Springs Fire Department was on the scene but the blaze had such headway it could not be extinguished. Although the burning of the house is a loss, white neighbors in that city are jubilant over the fact that there prosperous little city, which is rebuilding since the fire much bet-

ter and greater, will not have in its midst the Japanese element to associate with them and their native-born children. Many of the little brown men are locating in these parts and the writer and many other Native Sons of California regret their coming to the great Valley of the Moon, noted for its climate, hot springs and great summer resorts.

Norman and Arthur Baines are in town from Los Angeles, spending the holidays with home folks and renewing acquaintances. Both are sporting Los Angeles mustaches which are being greatly admired by the natives.

Mr. and Mrs. Russell Prestwood of Seattle came down for the funeral of Mr. Prestwood's mother. Mrs. Russell Prestwood will remain for some

time with the motherless children and is already beloved by them.

SATURDAY, DEC. 29  
IS HONEY DAY

The last day of the State Beekeepers' Convention at Sacramento, Dec. 29th, has been designated as Honey Day throughout California. Honey is about the only food that has not been advertised in great national campaigns. Many people believe it to be a luxury but such is not the case. There is no better sweet for girls and boys.

Eat more honey on Saturday, Dec. 29th. What is finer than hot biscuits and honey these cold mornings.

George Crowe, city editor of the Sonoma Expositor-Forum, was chairman of the county boosters' committee for Sonoma county for the thirty-fourth annual convention of the California State Beekeepers' Association sessions of which close today in Sacramento.

### THE NIGGER IN THE PROHIBITION WOODPILE

The nigger in the prohibition woodpile, whether it is the prohibition of booze or narcotics is the money in it for professional propagandists. It is the principal reason for the present continuance of such bodies as the Anti-Saloon League, organized to close the saloon. The Narcotics Association and kindred reform movements which exact dues from thousands of people throughout the United States prates of education, but exacts tribute.

Talk about a slush fund! These funds are tremendous. Unhappily the money comes out of individuals already heavily overtaxed by State and Nation for enforcement of laws. It is a sorry arraignment against constituted authority that its mandates cannot be enforced and that its work must be done by outside organizations. People do not stop to think of this. Swayed by emotional and highly colored speeches, they are literally talked out of millions in the name of uplift, betterment and innocent childhood, over whom home influence is held to be of little present value. The protecting mantle of many mulcting societies must protect the youth of the land and since we have turned much of their training over to these benevolent outside influences, we all know how much good has accrued.

Naturally propagandists will vehemently deny that the gathering of money interests them in any way, but let us quote from a recent talk of an Anti-Saloon League church speaker which was followed up by the taking of a fat collection and pledges for money donations extending over the period of several years. Said the speaker:

"The California Anti-Saloon League is your representative, but it cannot do everything. We must have your generous moral and financial support in order to insure a sweeping victory over the foe of greed, appetite and anarchy that are arrayed against us."

And this, with President Coolidge asking for \$20,000,000 to purchase more equipment against rum runners and a plea that the prohibition enforcement appropriation be increased another \$1,500,000, making the next government provision to enforce the law over \$10,000,000.

The war on narcotics is in the hands of the same government bureau as prohibition and money is budgeted for this nefarious traffic also, but in addition an association designed to "educate" the public further to the menace of opiates and the insidious grasp they are getting on the nation, makes a powerful plea for funds. Their tract states:

The Association exists for the people and is supported by the people through contributions from individuals and organizations. Membership in the Association is established by a contribution of \$1.00 per year, each member receiving selected educational literature on the narcotic problem.

"Under the association's expansion program, 50c of each dollar membership is to be allotted to the permanent Narcotic Education Foundation; 40c to the local education program; and 10c to overhead expense and the expansion program.

"Here is what \$1.00 will do:  
"1. It will add one to the man power sustaining the Association, now a necessity for the well being and safety of society.

"2. It will take important information to one adult, not only to help him towards safety, but to stir deep motives and equip him with the powerful implements of the truth to help his fellowmen.

"3. It will insure that instruction in the peril of narcotics shall be given, by their teachers, to 250 children this current year, clothing them henceforth with a mantle of protection.

"4. It will give the investor a part in perpetuity in the future welfare of humanity, insuring that henceforth 15 children shall be instructed by their

teachers every year, through the foundation.

"The above is what one dollar will do. Compute for yourself what \$10 will do; what \$100 will do; what \$1000 will do; what \$1,000,000 will do.

"Exclusive of the foundation, one dollar devoted to the current program will insure that 500 children shall be taught the perils of narcotics; and \$2,000 will insure that 1,000,000 shall be taught. A \$40,000 foundation endowment will insure that 1,000,000 children shall be taught every year, indefinitely."

The raising of big slush funds by outside organizations and the discrediting of government control should be prohibited. Let us be taxed for protection of every necessary character, but not called upon to bear a double burden put upon us by hydra-headed propagandists. The spectacle of the government and its costly program of enforcement as it seeks to plug the leaks in its prohibition program staggers the average citizen, but when we load on the people the additional cost of maintenance of organizations working every city, village and hamlet on the map for funds, it is time thoughtful Americans woke up to the imposition and the insinuation as to our national character which the expenditure of so many millions implies.

### DO WE NEED A NEW PRISON WARDEN?

The administration of Warden Johnson of San Quentin is being subjected to criticism by the State Board of Control. It is charged that Johnson is not running the prison along sound financial lines. We appreciate the finer humanitarian theories of Warden Johnson which he has effectively kept to the fore by appearing at women's clubs throughout the State, but we doubt the soundness of his theories. Too many criminals repeat and too many young men fall into crime with the consequent question of the public, "Why is not reform more successful?" Perhaps the answer lies in Warden Johnson's easy treatment and pampering of prisoners. Since the straight-jacket was abandoned and sob sisters have encroached on the sentences of courts crime has alarmingly increased.

When we couple poor finances with the breaking down of penal theories it looks as if a change might be a good thing for society in the State of California. One thing, however, is certain: the people are entitled to a man with training to fit him for the big job of warden. Running a prison is a combination of business ability and a talent for handling the criminal element and its intricate problems.

The average politician would be a poor substitute for Warden Jimmie Johnson, who was at least interested in his work if he has failed in it.

### PRESIDENT COOLIDGE'S ECONOMY

Calvin Coolidge has announced his formal candidacy for Republican nominee as President and his candid message appeals to all Americans. In addition to its frank quality the message carries with it the definite plan for reducing the tax burden of the country which will win the applause of a long suffering people.

A little inconsistent in the face of this strong economy recommendation, seems his recommendation for \$6,000,000 for boats to fight rum runners and an additional \$1,500,000 for prohibition enforcement, making in all over \$16,000,000 to try to "dry" up the United States. Perhaps President Coolidge believes laws that are laws should be enforced at any cost, but surely a Congressional inquiry into the nature of laws requiring millions of dollars by which to force obedience, is timely.

### DESERTING JOHNSON RANKS

The Napa Register has parted company with Hiram Johnson, presidential aspirant. The Register states that it has backed Johnson from the time he was Governor up through his arrival as United States Senator, but now that events have transpired which puts up to them the choice of Johnson or Coolidge, that The Register unequivocally decides for President Calvin Coolidge.

We admire the belated decision of the Napa newspaper, that Johnson is a national political joke.

Wishbones seemed good after all the talk about Kels' and his back bone. We know little about the science of back bone tests, but we do know that if a few more officials had the back bone and common sense of Governor Richardson we would have less trouble in the country.

### MRS. VALENTE ENTERTAINED

Mrs. Mary Valente entertained Mr. and Mrs. Emil Valente of San Francisco, Mr. and Mrs. Jep Valente, John Valente and Mrs. Mary Allen at an elaborate Christmas feast Tuesday.

Mrs. Allen's husband, who is an attorney is at present in South Dakota in the interests of a client, and could not be present.

### SONOMA BUSINESS MAN LOSES PARENT

Death summoned Lemuel H. Vestal, a pioneer resident of Petaluma, at his home, 302 Second street, Santa Rosa, Monday after a brief illness. The unexpected news was a shock to his friends in this city.

The late Mr. Vestal was born in Missouri, April 23, 1841 and came across the plains when 11 years of age in 1852. Soon after the arrival of the Vestal family they located in Sacramento valley where Mr. Vestal remained for 20 years. Later they removed to Sonoma County where the family had since resided.

Mr. Vestal owned and conducted

the old Washoe house at Stony Point for many years. Later he removed to Petaluma and his last years were spent in Santa Rosa.

He married the former Miss Amelia Ayers of Petaluma forty-five years ago and she survives him with their children: Mrs. W. C. Hall, San Francisco; W. E. Vestal, Santa Rosa and W. T. Vestal, Sonoma.

The deceased left many friends in this city, who admired him for his noble traits of character.—Petaluma Courier.

Supervisor and Mrs. Fred Lowell spent Christmas in San Francisco with friends as is their annual custom.

### FAMILY REUNION AT RALPH MURPHY HOME

Mr. and Mrs. Ralph Murphy had a family reunion Christmas day when many members of Mrs. Murphy's family gathered for the pleasant occasion. Besides Mrs. Murphy's parents, Mr. and Mrs. R. B. Thomas, there were present Mr. and Mrs. Warren Runnels (Edna Thomas), and two children from Cupertino, Mr. and Mrs. W. O. Helberg (Myrtle Thomas) and son from Santa Rosa, Mr. and Mrs. Leonard Thomas (Marie Helberg) and little daughter of Stockton, James C. Thomas and Miss Florence Murphy.

### MR. AND MRS. MORTON WILL LOCATE IN NAPA

Mr. and Mrs. O. Morton who for some time past have occupied the L. S. Simmons home on Second Street East have gone to Napa to take up their residence in that city. They intend to purchase a home there.

Mr. Morton is connected with state institutions and his clever wife is an accountant and bookkeeper for him, being under state salary also. They made many friends while in Sonoma, who will regret their departure.

### NEW BABY IN THE VOLQUARDSEN FAMILY

A precious Christmas present arrived December 20th at the San Francisco home of Mr. and Mrs. Gustav E. Rahm (Helayne Volquardsen) when Dr. Stork sent a seven and one-half pound son, David Gustav Rahm, to gladden the home of the former Sonoma girl. The arrival of the first-born makes Mr. and Mrs. D. Volquardsen grandparents again.

### MRS. HENRY BATES HOME FROM HOSPITAL

Mrs. Henry F. Bates is home from the hospital in San Francisco, having been able to return just prior to the holidays. She is still very weak, but with good care and the comforts of her home, it is expected that she will convalesce rapidly. Friends make daily inquiry for Mrs. Bates for the many kindnesses she has done for others in time of sickness and trouble have not been forgotten.

### ANOTHER BRIDGE APPROVED

Word has been received in San Francisco by the American Toll-Bridge Company that the U. S. War Department has formally approved the plans for the Antioch Bridge.

Approval was granted the Delta Bridge Company, the stock of which is owned in its entirety by the American Toll-Bridge Company, which is now building the great Carquinez Bridge.

### NEW YEARS EVE. FERRY SERVICE

The Golden Gate Ferry Company announces special trips for those who want to celebrate New Year's Eve, in San Francisco. There will be boats from San Francisco to Sausalito at 12:00 midnight; 1:00 a. m. and 2:00 a. m. January 1. These boats will permit motorists to join the revelers in the carnival for which San Francisco is famous, and get home after the big "doings."

### LEAP YEAR DANCE AT GLEN ELLEN

The Womens Improvement Club of Glen Ellen will give a Leap Year dance as a feature of the regular January 1924 party, the second Saturday evening of the month. Gentlemen will be shown every courtesy by the floor committee and are sure of a delightful time.

### SONOMA GIRL STUDIES ART

Miss Marguerite Helberg of the Federal Reserve Bank of San Francisco was home for Christmas. Miss Helberg is studying art in addition to her commercial duties. The young lady attends the night classes of the California School of Fine Arts. She enrolled last June and is doing splendid work drawing in the Life class.

### LOCAL AND PERSONAL.

Mrs. Louise McElroy spent Christmas with her daughters at Novato and Petaluma and upon her return here plans to move into her new home on Broadway.

Mr. and Mrs. Roy Aubrey were in the valley for the Christmas holiday and while here called on Mr. Aubrey's mother, Mrs. Tom Monahan.

Mr. and Mrs. Arthur Lowell are at the Lowell ranch here, Mr. Lowell having recently sold his garage in the state of Washington.

### S. F. SEALS BALL SQUAD COMING FEBRUARY 18th

The famous San Francisco Seals will establish their training camp here February 18th and the new base ball diamond adjoining the Golf Club will be used for the practice games of the spring training season in the Valley of the Moon.

Fifty or sixty ball players will join the advance guard already here. Several of the stars of the team, including Jimmy O'Connell, have been at Boyes Springs for some time past with their families.

Owing to the fire which destroyed the Boyes Springs hotel, Manager Rudy Lichtenberg will fit up quarters for the ball players at the Golf Club. The former Bigelow home is being furnished and will accommodate a portion of the team.

Messrs. Putnam and Graham of the Seals came up to Boyes Springs last week to perfect arrangements for the coming of the training squad.

The presence of the ball players in Sonoma Valley will make things lively here for several weeks, as many fine games are scheduled on the new diamond.

### PROBE UGLY CHARGES AT THE STATE HOME

In an opinion handed down Thursday in Sacramento, the State Civil Service Commission, which heard testimony in the case, exonerated Dr. Florence P. Chapman, assistant physician at the Sonoma State Home, of charges of neglect of duty and interference with discipline and placing of help, preferred by Dr. F. O. Butler, medical superintendent of the institution. Testimony indicated, according to the findings, that there were two girl inmates of the home, who bore the same name and that an operation for sterilization was performed upon the wrong girl.

### MARRIED IN SAN FRANCISCO

Mrs. Alice Flieger and Earl Revie, both of Sonoma, were married in San Francisco the day after Christmas. The young couple will reside in this city, where Revie is employed at the Ford Garage.

### SAID IT PAID TO ADVERTISE

Frank Muller, who made a record sale of Pig'n Whistle candy during the holidays, says the candy was in great demand, and Batto's store shipped in repeat orders to meet the demand as a result of advertising the candy here.

### HUNTER HOME WAS SCENE OF REUNION

Mr. and Mrs. Ray Hunter entertained Mrs. W. K. Roberts and children of Sunnyvale, Mrs. M. Hunter and Frank Hunter of Sonoma, the Campbell Pomeroy of Santa Rosa and Mr. and Mrs. George Daunt of Petaluma on Christmas day.

### TAILOR WILL MOVE SHOP TO FETTERS

H. Weghofer, the ladies' tailor, will move his shop to Feters Springs, where he owns property. Mr. Weghofer has built up quite a clientele who like his work very much.

### NEWS FROM TOY ON SONOMA'S HIGHWAY

In a telephonic communication with State Highway Commissioner Harvey Toy yesterday the Index-Tribune learned that bids for the Schellville-Beltane road are being advertised and will be opened in a few days.

Mr. Toy says that the delay has resulted in him being able to assure the valley a better road than would have been built at the time the first unit was authorized.

### NEW YEAR'S EVE DANCE

The Sonoma Parlor of N. S. G. W. will celebrate New Year's eve by giving a grand carnival ball at Union hall and the proceeds will go to the Homeless Children's Fund.

### OPENING OF CLUB HOUSE TONIGHT

The hospitable folks of Sonoma Vista will open the new club house tonight. A card party, program and good eats will be enjoyed.

### CHRISTMAS CHURCH SERVICE

The Christmas church services in Sonoma were well attended and splendid sermons rendered by local pastors.

At St. Francis church on Christmas morning Mrs. L. V. Emparan directed the rendition of Peter's mass and beautifully rendered Adam's "Noel."

Rev. Deeney of Santa Clara College assisting Rev. J. F. Byrne, spoke in Italian and English on the Nativity.

### A BUSINESS CHANGE

Recent Ford sales include W. Stuermer, sedan; M. Lawsen, touring; Dr. Boelsen, coupe; A. Rubke, Tudor sedan; Spencer Merz, coupe; George McGill, coupe; D. J. Frink, roadster; F. Rhode, sedan.

Miss M. Roth, daughter of Mr. and Mrs. Luke Roth of Buena Vista, was married December 16th to Clyde House at the Adventist church in Berkeley.

A marriage license was issued by County Clerk Felt on December 27th to Peter de Jong and Marie von Ryn of Sonoma.

Mr. and Mrs. Partridge of San Francisco motored up to their El Verano ranch Christmas.

The sad news of the death of Robert Pasch, nephew of S. Shoken, has reached friends of the well known merchant. Pasch was in business in Los Angeles.

Mrs. Susan Whiting was ill in bed Christmas day and her friend, Mrs. Potter, suffering from an accident which caused her to fall and break her leg, Sonoma and Boyes Springs friends will hear this news with regret.

Masses will be held at St. Francis church, Sonoma at 9 and 11 o'clock a. m., New Year's day.

Mr. and Mrs. Walter L. Murphy were dinner guests of Mr. and Mrs. C. W. Smith of San Francisco Christmas eve. Mr. Smith is the senior member of the pioneer wholesale drug firm, Coffin, Redington & Co.

Leland Adler has been home from spending the holidays with his parents, Mr. and Mrs. A. W. Adler.

## MOST MODERN PASSENGER LOCOMOTIVES BOUGHT BY S. P. TO HANDLE GROWING WESTERN TRAFFIC

The evolution of the railroad locomotive here is shown in a striking manner. At the top is No. 4300, newest gigantic mountain-type locomotive of the Southern Pacific, for heavy transcontinental passenger trains. Standing beside it, in sharp contrast, is the old "C. P. Huntington," or Locomotive No. 1 of that railroad. Below is the famous "Rocket" which pulled the first train in 1829, at what was then considered the remarkable speed of 24 miles an hour.

THE most modern passenger locomotives thus far designed have just reached the Pacific coast and will be of material aid in handling the record winter tourist traffic from eastern states.

They are the result of years of study and experience by Southern Pacific experts and planned to best meet conditions here. Operation of heavier trains on longer runs will result, together with added comfort to passengers through smoothness in starting and handling of trains.

Known as the "4-8-2," or "Mountain Type," these monster engines are to be put into service with the opening of the new year by the Southern Pacific Company in handling heavy transcontinental trains.

They are equipped with the very latest devices for increasing power and economy; are 97 feet, 6 1/2 inches in length, and 15 feet, 11 1/2 inches in height. Their tractive, or pulling power is 57,510 pounds without the

auxiliary booster engine and 67,660 pounds when this auxiliary engine is used in starting and at slow speed.

The tractive power of 57,510 pounds, converted into hauling capacity, means that these locomotives can pull on a straight track up a grade of 26 feet per mile a modern heavy fourteen-car passenger train at a speed of fifty miles an hour. About 3,250 horsepower, equal to 147 "flivver" type automobiles, is developed.

The first of these gigantic engines will operate over the difficult mountain and desert run between Los Angeles and El Paso.

The Southern Pacific recently ordered sixty-three new locomotives to be placed in service during 1924. This is in addition to the ten "Mountain Type" passenger engines; six heavy "Pacific Type" passenger locomotives, for use between San Francisco, and Los Angeles, and thirty-four improved "2-10-2" heavy freight engines now being delivered.

The two orders will make a total of 113 new locomotives that will be available within the next year to aid

in the general policy of the Southern Pacific of keeping well to the fore in serving the public with the very best transportation possible.

Increased power of the new locomotives will permit the handling of heavier trains. Smoother starting, with elimination of jerks by taking slack, is accomplished. Such devices as super heaters, feed water heaters and the booster engine, are resulting in new records for operating economy.

The new Pacific engines will make the through run without change between San Francisco and Los Angeles, pulling such fast trains as the "Lark." This type of engine during the last year has made an enviable record in the through run of 536 miles between Ogden and Sparks.

The newest type Pullman cars and other equipment of latest design also are being placed in operation to carry out the railroad's plan for furnishing the most modern service. Dustless and smooth roadbed, excellent food in dining cars and courteous attention add to the comfort of travelers.

### ABATEMENT PROCEEDINGS INSTITUTED BY ANGLIM

District Attorney Thomas Anglim has filed abatement proceedings against two Napa Junction-hotels which have been violating the prohibition laws.

He has started action in the superior court of Napa county against Peter Traverso of the White House, and against Peter Ronconi of the Roma.

He asks for a perpetual injunction against both places restraining them forever from storing or selling liquor and also demands an order of court closing them up for the period of one year.

Court records show that Traverso and Ronconi have been repeatedly raided by Sheriff Harris and have been repeatedly convicted of violating the liquor laws.

### DOES SANTA ROSA MEAN IT?

(From The Motor Carrier)  
"Why Motorists Don't Leave Home" is suggested for the title of a nice home talent comedy for Santa Rosa, in view of the announcement in a recent issue of the Santa Rosa Republican, that the city council has granted the police an increase of \$20 a month, provided they make sufficient arrests to bring in the requisite number of fines.

This is not a joke. It is, indeed, a serious matter, or at any rate it bids fair to become serious for all who drive or are driven in, through across or via the famous capital of Sonoma county, provided our esteemed contemporary reports the matter correctly. The wierdest product of the prodigious genius of Luther Burbank is hardly comparable to this amazing policy.

"Under the ruling," says the Republican, "the police will be paid just as long as fines and forfeitures are sufficient to meet the increase over the estimated income from that source in the budget. Any time the fines fail to show the necessary increase, the police salary claims will not be approved for more than the old salary."

It does not require much stretching of the imagination to foresee what things may happen to motorists in Santa Rosa. With every policeman eyeing every motor car with an expression of "here comes my \$20," it might not be long before the natives would find it cheaper to leave their cars in the garage, those going through would detour around the city, and visitors from afar would park their machines in the outskirts and walk down town.

It is hard to believe that Santa Rosa's city council will put in force such a policy.

Captain and Mrs. O. W. Parker spent Christmas Eve with their daughter, Mrs. Otto Dresel and family, and Christmas day in Oakland with other relatives.

They promise to see that old 1923 is chased out with neatness and dispatch and that young 1924 shall be royally welcomed. Mr. and Mrs. Corcoran are hospitable host and hostess and many reservations by out of town and local folks are being made for the supper to be served at midnight.

There will be good music and carnival features.

### CEREMONY AT GROUND BREAKING

A golden spade, decorated with the San Rafael High School colors, was used by President Thos. P. Boyd of the Board of Education last Monday afternoon when ground was broken for the foundation of the new high school building. This ceremony was preceded by a bugle call and an address by Mayor D. D. Bowman, and singing by the San Rafael High School Strolling Minstrels.

Preparatory to removing the first dirt, Boyd addressed the large assemblage of students and friends of the school briefly, after which "The Star Spangled Banner" was sung as the American flag was raised to the top of the flag pole on the grounds.—Marin Journal.

## DODGE BROTHERS MOTOR CAR

Value so pronounced that you are justified in looking upon the purchase of a Dodge Brothers Motor Car as the soundest possible investment in transportation.

Not a dollar is added to the purchase price to support a free service policy; nor to cover the costliness of numerous body or chassis types; nor to pay interest on borrowed money; nor to maintain a multiple organization of middlemen.

Dodge Brothers finance themselves. They sell directly through a single organization of dealers to you. They do not believe in charging in advance for service you may never need. They have developed remarkable economies, and a time-seasoned product, by concentrating on standard types.

These facts are reflected, not only in the price of the Car, but in the quality of workmanship and materials that enter into its construction.

**BUILDING AND LOAN ASSOCIATIONS THRIVE**

The following interesting building and loan figures of the State of California are taken from the annual report of the Building and Loan Commission for the year ending June 30, 1922:

Gross assets.....\$88,382,222  
Net profits for year 4,661,188  
Members, investors.....88,039  
Number borrowers.....34,077  
Number of associations...132  
New associations formed.. 22

The above figures represents an increase of \$20,537,698 in assets in a single year.

Some of the important paragraphs of the report are:

"The figures represented herein are indicative of a more general appreciation of the benefits of a financial system that appeals to, and should stand closer to the common people—the wage earner and the salaried employee—than any other class of financial institution yet devised. It does not foster trusts, combinations nor speculative schemes; its field of operations is local; its results beneficial; its mission the accumulation of the savings of the thrifty, plain people; the enrichment of the community; the fostering of that most valuable asset of the nation, the 'American home' that makes for contentment, public spirit and peaceful lives in every community.

"The building and loan plan of investment addressed itself particularly to those in need of encouragement and self help; it encourages savings, thrift and persistent effort, which are the foundation of success in any and every calling, and these and home ownership go hand in hand.

"The accumulation of the savings of the shareholders and investors during the period just closed, has resulted in an increase in the assets of the associations of \$20,537,698, and the reported making of 7291 loans for new construction, mostly for new homes, bringing the aggregate reported construction since the organization of this department, to 67,529 separate buildings, which if all were grouped in one locality, would embrace a city of very respectable proportions.

"During the past fiscal year 22 new associations were licensed, and one small association in a northern county liquidated voluntarily because of lack of proper support in a limited field of operation, thus making a net gain of 21 and increasing the number on the active roll from 109 to 130, or a gain of 19.26 per cent.

"The wonderful increase in the assets during the past year as compared with previous years, is best visualized by consulting the title, 'Changes In Assets Since 1910', where it will be observed that the increase of \$20,537,698 is more than double the increase in any previous year, and brings the tabulated assets up to \$88,382,222.01, and if to this are added the present assets of the 13 new associations in operation less than six months—and not included in the tabulations—amounting to \$1,010,313.12, together with the California assets of the Western Loan and Building Company of Salt Lake City, Utah, \$2,101,450.19, we have an aggregate of \$88,382,222.01 as the gross assets of the state.

"The receipts from shareholders and investors total \$37,610,512.69, or 44.10 per cent of the tabulated gross assets, and the disbursements on account of withdrawals and maturities aggregate \$24,826,272.35, of which \$3,587,124.49 was on account of dividends and profits apportioned and the balance invested capital refunded—in all the equivalent of 46.50 per cent of the gross liability to shareholders and investors at the beginning of the year.

"The largest increase in the assets of a single association was \$2,078,317, or 89.5 per cent. Two show an increase of \$1,528,209.62 and \$1,007,708 respectively, and seven show an increase of more than \$500,000 each.

"The large increase in the assets is accompanied by a corresponding increase in the several classes of shares and certificates of investment, the aggregate of the former being 135,406 of which 117,607 were installment and 14,277 full paid, while that of the certificates is 80,951.

"The reported number of shareholders totals 54,930, a gain of 11,779, and

the number of certificate holders appear as 33,109, or a gain of 12,435. The aggregate of members and investors amounts to 88,039, of which 50,019 are male and 37,029 female.

"Notwithstanding the fact that 22 new associations have been formed and licensed during the past year, only one is really located north of the latitude of the San Francisco bay district even though there are many localities of importance in the northern part of the state that would be materially benefited if local enterprising and public spirited citizens could be induced to take an active interest in the formation and conduct of live associations in their respective localities."

The last paragraph quoted above is particularly significant. The largest increases by counties are:

Los Angeles.....\$8,081,552  
Santa Clara..... 4,519,798  
San Joaquin..... 1,531,629  
San Francisco..... 1,142,631  
Santa Barbara..... 1,067,684  
San Bernardino..... 952,255  
Orange..... 545,433

It will be noticed that every section of the state which generously supports the building and loan associations is the section that is moving ahead of the other sections. There is no better way to build up a locality than through the building and loan movement.

**WRESTLING MATCHES WERE BOTH GOOD**

(From Petaluma Argus)

At the American Legion hall Saturday night Luigi Antognini, Swiss-Italian champion, defeated Bull Hanson, a husky 210 pound wrestler from Boston, Mass. It was a revelation to watch Antognini's speed and strength and his knowledge of the game.

Although the Italian weighs but 185 pounds he picked up his heavy opponent with apparent ease. He won the first fall in 27 minutes and the second in 12 minutes.

One good preliminary between two middleweights ended in a draw.

Ad Santel, lightweight champion of the world, came to Petaluma especially to see the match and was requested to referee the match by the promoter, which he did.

On Sunday afternoon Antognini took on Joe Petrof, the Australian heavyweight champion. Petrof weighs 200 pounds. Antognini won both falls in 19 minutes and 12 minutes, and in both contests his opponents lost their temper, affording much fun to the spectators. Unfortunately, the match was pulled off at a busy time and the audiences were not very large.

Antognini will wrestle Charles Olson, 200 pound Canadian, at Union Hall, Sonoma, tonight.

**CHRISTMAS IN CALIFORNIA**

Years ago a great New England poet, Edward Rowland Sill, came to live in California, and so astonished was he at the December weather here that he wrote a poem called "Christmas In California." Here is the heart of the poem:

Can this be Christmas—sweet as May  
With drowsy sun, and dreamy air,  
And new grass pointing out the way  
For flowers to follow, everywhere?  
Has Time grown sleepy at his post  
And let the exiled Summer back,  
Or is 't her regretful ghost,  
Or witchcraft of the almanac?

\*\*\*\*\*

A languor of deliciousness  
Fills all the sea-enchanted clime;  
And in the blue heavens meet and kiss  
The loitering clouds of summer time  
This fragrance of the mountain balm  
From spicy Lebanon might be;  
Beneath such sunshine's amber calm  
Slumbered the waves of Galilee.

A. L. Monotti, local merchant, spent Christmas with his wife and daughter, Miss Alfreida, in Alameda.

**ARE YOUR LUNGS WEAK?**

Just now you must guard against undue exposure. Take McMullin's Formula every day as directed. Mr. Walter Wyatt, Leetoth, Mo., says: "I have gained 25 pounds and feel fine. I think McMullin's Formula the best lung remedy I ever tried." With chances of epidemics just now this reliable, germicide and preventive against germ diseases should be in every home for daily use—ready in case of colds, stubborn cough, bronchial troubles, asthma. ## Notice of Commissioner's Sale On Foreclosure Of Mortgage.

NOTICE IS HEREBY GIVEN.—That under and by virtue of an order of sale and decree of foreclosure issued out of the Superior Court of the State of California, in and for the County of Sonoma, on the 21st day of December, 1923, in the above entitled action, wherein W. H. Braun, the above named plaintiff, obtained a judgment and decree of foreclosure against Christopher Zizelman, said defendant, on the 21st day of December, 1923, for the sum of Thirty-five Hundred Dollars (\$3500.00) principal, One Hundred Seventy-five and 90/100 Dollars (\$175.90) interest, Ten and 13/100 Dollars (\$10.13) taxes paid, One Hundred Seventy-eight Dollars (\$178.00) attorney's fee, and Twenty-five and 41/100 Dollars (\$25.41) costs expended herein, aggregating the total sum of Thirty-eight Hundred Eighty-nine and 44/100 Dollars (\$3889.44), together with interest thereon at the rate of seven per cent. per annum from December 21st, 1923, which said judgment and decree was on the 21st day of December, 1923, recorded in Judgment Book Volume 1 of said Court, at page 106 thereof, I am commanded to sell at public auction in the manner prescribed by law all of that certain real property situate in the County of Sonoma, State of California, and more particularly described as follows, to-wit:

Commencing at a stake marked by seven notches, on the North line of the County Road from Petaluma to Santa Rosa, at a point North, 54 degrees 33 minutes West, 4.43 chains from the center of the Mountain Road (so called), at the most Southerly corner of Lot 267, according to Rowe's map of his subdivision of Petaluma Rancho; thence North, 35 degrees 57 minutes East, 11.29 chains to a stake marked by two notches; thence North, 54 degrees 33 minutes West, 4.43 chains to a stake marked by three notches; thence South, 35 degrees 57 minutes West, 11.29 chains to a stake marked by six notches, on the North line of said County Road; thence South, 54 degrees 33 minutes East, 4.43 chains, along said line, to the point of beginning. Bearings true. Variation 18 degrees 30 minutes East. Containing five (5) acres. Being Lot Two (2) of a Subdivision of a part of Lot 267. Being the same land conveyed to Christopher Zizelman by Tony Troyak and Jennie Troyak, his wife, by Deed of even date herewith. Together with all the improvements thereon, and appurtenances thereunto belonging, and the rents, issues and profits thereof.

Public notice is hereby given that on the 22nd day of January, 1924, at eleven o'clock A. M. of that day, on the steps at the Fourth Street entrance of the County Courthouse, Santa Rosa, Sonoma County, California, I will, in obedience to said order of sale and decree of foreclosure, sell the above described property to the highest and best bidder for cash in lawful money of the United States. Dated this 26th day of December, 1923.

A. W. BAKER,
